[FRIENDS OF SQUASH]

YOUR ONE STOP SHOP!

FOR LINEN, FLOORCARE, FIRST AID & HYGIENE SUPPLIES

AlSCO's many years of experience providing professionally managed rental services makes us the ideal choice for any club. AlSCO can tailor services specifically for your club, giving you more time to focus on your game.

DEFIBS

Our portable, high quality easy to use defibrillators are managed and maintained to ensure they can always deliver a life-saving jump start when required.

FIRST AID KITS

Never run out! Our managed First Aid Kit service keeps your club safe and compliant with hospital-grade supplies, all for one low fixed cost.

MATS

Our high performance mats provide exceptional water and dirt collection, save your floors from wear and tear, and reduce the risk of slips and trips from slippery or wet surfaces.

WASHROOM

We offer a wide range of functional, hygienic and stylish products including soap dispensers, hand-drying solutions, feminine hygiene units and odour control.

SPILL KITS

Convenient, easy to use wall mounted spill kits with customised 'Grab & Go' modules - available in three sizes with both natural and food-safe absorbents.

CONSUMABLES

From toilet paper to hand towels and tissues, on rolls or interleaved our wide range of washroom products are a competitively priced consumable paper solution - whatever your needs.
