Welcome

It is my pleasure to welcome you to our club, Hawke's Bay Lawn Tennis and Squash for the 2017 F/J Grade Nationals. We are very ecstatic to host a SuperChamps for the first time in the history of our club which dates back to 1884.

We are fortunate enough to have 13 teams compete for the F/J Grade SuperChamps titles. This is where the squash bug is caught and hopefully leads on to other SuperChamps experiences for players, coaches and supporters.

For those of you who have not been to Hawke's Bay before, a special welcome. Napier is deemed as the Art Deco Capital of the world so please, meander around the city to take in the enchanting architecture, which rose up after the 1931 earthquake, this is definitely a worthwhile endeavour.

Each travelling team has been allocated a liaison officer who can help you with any queries you may have, please use these as you see fit.

To the people who have worked hard to ensure the event runs smoothly, and all our sponsors a huge thank you, without you this would be not possible.

Good luck to you all, play hard but fair, but most of all enjoy!!
